Scenes from the March MTG...

The LONG ISLAND AUTO REPLICA SOCIETY (L.I.A.R.S.) Model Car Briefs is dedicated to bringing you the best and most up to date information about our great hobby of model building.

Were in our 33rd year as a Club; let's hope we all stay healthy during this post COVID-19 crisis and that we can all attain some measure of prosperity. Then perhaps we can build a new Club display in memory of Rich Argus...

From our LIARS Unofficial Official

Hello everybody welcome to April! You know what they say, April showers and all that stuff. Yeah, well, we had a lot of showers so far. But soon painting weather will be here again.

Recently, I had the pleasure of visiting with Mr. Bill Murray, a.k.a. Dr. V. I was invited to his display room. It was very impressive! And an eclectic collection, model cars of all sizes, diecast from all makes and automotive memorabilia. He even has an old school, pinball machine! We spent a good deal of time, reminiscing about old kits, cars, and what was and what was not available in kit form. It was a very nice visit!

As far as club business goes, Donna and I went to the bank for a second time to start the new club account. But one form that was supposed to be online was unable to be found. Starting to feel like a visit to DMV! But, the missing document is on its way.

The 71 Dodge demon kits have been acquired and will be distributed at the next meeting for the people who signed up.

I would like to bring back club clinics. In the past a club, member would demonstrate "How to" work shop on certain aspects in model building, such as the application of Bare Metal Foil or scratch building small parts.

Club members could gather around and witness the magic. If anybody would like to volunteer or have a suggestion on something they would like to see, we will entertain it at the meeting.

That's it for now, please try to bring a canned good to donate for the center. We've all been guilty for being sporadic about this, but think about those who are much less fortunate than us.

Otherwise, I can't thank everybody enough for their input and all the support! Hope to see you all this Thursday!

Your unofficial official,

Dominick "McMonte" Gerace,

Remember those folks who made a difference in your life in 2024 (good or bad) and use the lessons learned to be a better you. Life is made up of people, events and decisions. 2025 is a time to start fresh. So surround yourself with good people, be active, happy and make remainder of 2025 great. Richie.

Some Words from the Editor At Large

This ones rather light this month, got caught up with things so it wasn't worth bothering people for content. I'm sure most won't mind and several of you were busy with stuff anyway I'm sure everyone will be back online for May and then things will ease up for me... Hopefully.

Yet again, haven't gotten very much done this month, between starting up the new business name and financial stuff for it, plus constant rainy/windy weather on prime weekend paint days. Maybe just maybe May should be better, or I'll yet again have so much on my plate it'll crush me and get all the fat outta my body LOL.

I would like to present ideas for our 2025 Freeport MCB show theme and sub-themes. I have selected 11 categories, one of which will likely be the Main theme or the Sub-theme.

At the IPMS show, the owner of Baseline Hobby was present selling stock, mostly military/Sci-Fi subjects, on hand. He needs help and support as several map websites claimed he

closed yet is still open for business. Although Baseline deals with mostly military and plains stuff, the owner does have some cars even older releases that could be at good prices!

**Baseline Hobby:
250 Little East Neck Rd, West Babylon,
NY 11704
Phone: (631) 376-0060**

Fellow members should stop by as he's only a few miles down the road from Garys in Islip. Only thing is Baseline is only open

**Fridays: 11 AM–6 PM
Saturdays: 12–6 PM
Sundays: 1–5 PM**

So plan accordingly.

IPMS Freeport show was fun overall as it was my first time there despite being in the same location as our MCC. I didn't enter anything as I wasn't sure I'd be able to make that day, but it was a general model show and not the busty curvy kind mind you!

**The NNL East 37 is comin' up Saturday April 26th WAYNE PAL Building
1 PAL Drive -- Wayne, NJ 07470 USA**

Probably be there getting a ride with one of our members. Those planning to go

Those planning to carpool should discuss so if they choose to attend NNL.

That is all for now, see you all on Thursday!

From John Heyer
